GRAND OPENING
& DEDICATION

It's finally arrived! This month, we will have the Grand Opening and dedication of Legacy Park!

On the 12th of this month, we'll gather to celebrate the beginning of something that has been years in the making. I wasn't here when KWC acquired our current property and I don't begin to claim that I know all that was envisioned for the property at that time, but I have to believe that the intent was that the property would be used for God's glory. All of it. Through the years since then, many have given and served and we've been blessed to add different elements to the property that have been used by the church but were also available for the community. However, over the last several years, I've felt a nagging belief that we needed to do more.

I've shared before, but I think it's worth repeating...Legacy Park was birthed out of a desire to accomplish three things:

- Provide a safe and enjoyable outdoor experience for a variety of ages in our community.
- Better leverage and steward all that God has given KWC.
- Establish a way to honor the memory of those in whose name memorials are given for years to come.

I couldn't be more thankful and excited for how things have come together since the discussion first began. Thanks to generous donations of those who chose to remember their loved ones by designating the church to receive memorial funds and countless hours of donated labor, we'll be able to dedicate a park that has:

- A renovated playground featuring new *play-set, Gaga-Ball pit, and toddler friendly swings
 - A new picnic table, three new benches, and 2 new trash receptacles
 - A 9-hole Disc Golf course that has already drawn great reviews for its professional grade baskets
- *We are scheduled to assemble the new play-set on Saturday, October 4. Volunteers needed!

On the 12th, we plan to celebrate the Grand Opening with a special luncheon. There is a list of items needed for the luncheon and sign up sheet at the Connection Center. Thanks to MVP Disc Sports of Marlette, we'll also be giving away 15 sets of discs for Disc Golf! Be sure to invite a friend!

Looking at the forecast, the weather will be great between now and the Grand Opening for a round of Disc Golf or some games in the Gaga Ball Pit. There are discs (also provided by MVP) available to be borrowed in the storage container on the deck by the playground. See the other side for some pics!

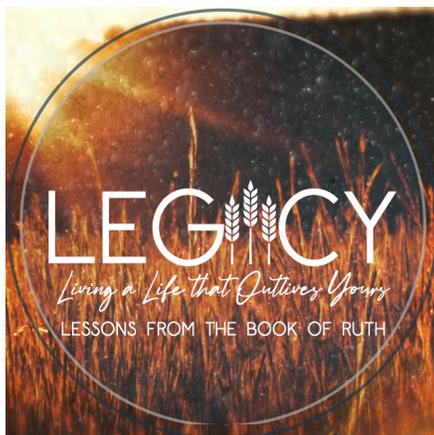

MEN'S GROUP

by Pastor Len

Iron sharpens iron. That's a biblical truth from Proverbs 27:1. It's that truth and a desire to see men of all ages thrive that has led Gerald Foote and I to launch a men's ministry. To get things started, we've chosen to use curriculum based on the Kendrick brothers' movie, THE FORGE. The study of THE FORGE will last 5 weeks and we'll begin on Saturday, October 4 at 9am.

This is open to all men. Mature teens are also welcome! That means that men are welcome to invite someone who doesn't attend!

Legacy Sermon Series by Pastor Len

As I mentioned on the other side, we're planning a special service for October 12 for the dedication of Legacy Park. A huge part of that special service is the beginning of a special teaching series called LEGACY. I'll be sharing some invaluable truths from the book of Ruth about how you can LIVE A LIFE THAT OUTLASTS YOURS.

I'm super excited about October 12 and what it will mean for the life of KWC and the ripples of lives that are impacted for eternity.

You won't want to miss it!

Are You Connected by Pastor Len

As I shared last month, we are no longer mailing the The Connection as we look to best steward all that God has given us while also leveraging what we have available to share important information with the KWC family and those who are interested.

Here are a few ways you can make sure you stay connected.

- Be sure to "Like" and "Follow" KWC on Facebook and Instagram
- Sign up to receive The Connection and other important information via email by completing a Connect Card (online or at the church)
- Sign up to receive special announcements (including prayer requests) via phone by completing a Connect Card. Please indicate which form of communication you prefer.
